Joint Committee on Judiciary Members,

My name is Jeff Fluckiger from the town of Ellington and I am submitting written testimony for the following;

OPPOSE: S.B.16 AN ACT ADDRESSING GUN VIOLENCE AND JUVENILE CRIME

I oppose S.B.16 because it is just an attack on my second amendment right to protect myself and put further restrictions on legal firearm ownership. **This bill is just another attempt to restrict legal firearm owner's rights while ignoring the real root causes of juvenile gun crimes in Connecticut which includes the state dropping gun charges in 70% of the cases.**
